Caicedo square

Its name is in honor of the hero Joaquín de Caicedo, whose effigy is located in the center of the square. It is recommended to go in the last days of December since from 25 to 30 you can enjoy the fair of Cali which is considered one of the most important traditional festivals in the country you can take a tour of some historical sites of cali

National Palace

Declared a national monument in 1977, it is currently the headquarters of the national council of the judiciary inside the park, it has a museum in commemoration of the cultivation and production of sugar cane.

I can say that there are too many tourist sites in Cali that we can enjoy as a family, as a couple or alone.

But we also have to remember that all that joy, kindness and flavor is also in their culture in the people who live here, in how Caleños cannot miss a weekend without enjoying a good salsa or a good party, of A good sancocho, a good walk on Sunday with family or friends to the river pance a good chontaduro in the afternoon, in Cali you cannot miss that spoken word that identifies us as him (look, talk about it or the warm good) We are like this, the people of Cali, we enjoy ourselves to the least and I am happy to say that I am Cali and that Cali is the branch of heaven that our speech is unique and those who visit Cali can say that Cali has the best culture, the best art , the best gastronomy, a good heritage and the good music that identifies us cannot be missing.
